

Walk for Diabetes

When? Saturday, October 11, 2008

9:00 A.M. - 1:00 P.M.

**Where? Derby Greenway
Division Street
Derby, CT**

Why? In the U.S. there are over 20 million people who live with either type 1 or type 2, diabetes and someone in the U.S. is diagnosed with diabetes every 21 seconds. By contributing to the foundation (ADA) that helps study ways prevent, cure and be beneficent to those who live with diabetes, we can help decrease the diabetic population of our country.

E-mail keeper@snet.net or call Mike Breault at (203) 881-1655 to receive a pledge sheet and start collecting donations for the American Diabetes Association. All money will be given to the ADA.
