Comm Hughes stated that communication that was received will be discussed in Executive Session.

Traffic Authority Business

Comm. Hughes stated that he had received a request for a stop sign at Lilac Circle and Coe Lane. Chief Mascolo stated that he will look into the matter to make sure that the requested location is in the City of Derby.

The Commissioners discussed the traffic on Main Street and the fact that there is no left turn onto Water Street. Chief Mascolo explained that this was done when Home Depot was built and a number of parking spaces were lost on Main Street. They added some spaces on Water Street and there was a concern that trucks would not be able to make the turn if vehicles were parked there. It appears that there is not a problem in that area and it will be further investigated. They will also look into the making the driveway for Home Depot from Water Street an entrance also.

Old Business:

There was no old business to discuss.

New Business:

There was no new business to discuss.

A motion to go into Executive Session to discuss personnel and contract issues and to have Chief Mascolo attend was made by Mr. DiSorbo, seconded by Comm. Hughes and carried unanimously. The Board went into Executive Session at 6:50 p.m. and the regular meeting was adjourned after that.

Respectfully submitted,

Maryanne DeTullio
