NEW FOUNTAIN HAS ARRIVED

PRESENTED TO THE CITY OF
CLARKSVILLE BY THE NATION-
AL HUMANE ALLIANCE.

A National Humane Alliance fountain, which was presented to the city by the National Humane Alliance, of New York, through its Vice President, Mr. Tighlman, has reached the city, having been shipped over the Illinois Central from the factory in Maine. It will be stored until the weather permits of its erection. The fountain will be placed on the Public Square. It is of Maine granite, entirely polished and trimmed with bronze, and is in five pieces. It weighs five tons and is six feet and eight inches high. The diameter of the large bowl is six feet. The cost of the fountain is about \$1,000. It is presented to the city free of all cost.
