DIRECTOR'S NOTE

It looks like we started off the New Year on a positive note. I am so happy that many of you have come forward with ideas and thoughts. We are making a diligent effort to fulfill your requests, if we have not done so already. Please keep them coming!

I need to extend a special thank you to Terry and Suzanne. Their dedication and hard work has helped me on a daily basis. Without them, my transition would have been very difficult. With them, I am able to make sure many of the trips and activities you request are possible. The Derby Senior Center is fortunate to have them both, and I appreciate all they do for this Center. The month of February is special because it signifies the celebration of love through Valentine's Day. I like to set time aside in February to tell my loved ones how much they mean to me. I also set aside time to remember the loved ones I lost, and look positively at the impression they have made in my life. Happy Valentine's Day to all of you.
